DEDICATION

As we reminisce over the past school years, one personality is predominant in our fondest of memories. This fellow student always participated with the class in its many activities.

The Class of "59" dedicates this book to Delbert Miller, who, due to an unfortunate accident, was unable to graduate with us. May it be a memorial to his worthy aims and high endeavors.

FORWARD

With our school year swiftly closing we pause to catch a final glimpse of the happiness and friends we've had. Many things have happened this year we shall never forget. We find ourselves holding closely to our hearts the fond memories of this past year at M. H. S. The 1959 Middiette is yours. You made it; we preserved it through word and picture.

Mr. and Mrs. Wilber Yoder

A SHARE IN AMERICA?

Yes indeed, a real share in America is yours partly for the asking, partly for the taking. You'll soon ask to take your place in America as an independent citizen, as one share of the heritage your forefathers passed on to you. Perhaps you will invest your earned money in the stock issued by American business firms. This is another way of owning a share of America.

There are many such examples of private privilege in this great country -- voting is one such, electing the men and women who fill the chairs of America's government "of the people."

All this responsibility and privilege calls for the highest caliber citizens our parents and our schools can produce. Make sure your schools' investment in you, that your parents' investment in you -- turns into stock whose value soars higher and higher as the years advance so you can truly aver that you are, indeed, a SHARE OF AMERICA.

Congratulations on graduation day from your newspaper, your radio station and your television station -- one good citizen to another.
